## INSIDE THE PADDOCK - Racing Car Transporters At Work

By David Cross with Bjørn Kjer  
Foreword Earl of March and Kinrara

How racing cars arrived at the race...

*Inside The Paddock - Racing Car Transporters At Work* contains nearly 550 images, many previously unpublished, enhanced by well-researched and informative captions. After the introduction, which gives a historical overview of the circumstances and logistics involved in arriving at a race meeting, the book is divided into over 150 sections, which investigate and discuss the transporters of individual teams, privateers, manufacturers, constructors and record-breakers.
